

Krames Exit-Writer[®] is a certified EHR module.

Criteria	Objective	Measures
Electronic copy of discharge instructions. 170.306(e)	Provide patients with an electronic copy of their discharge instructions and procedures at time of discharge, upon request.	More than 50% of all patients who are discharged from an eligible hospital, CAH, or emergency department and who request an electronic copy of their discharge instructions and procedures are provided it.
Patient-specific education resources. 170.302(m)	Use certified EHR technology to identify patient-specific education resources and provide those resources to the patient if appropriate.	More than 10% of all unique patients seen by the EP or admitted to the eligible hospital's or CAH's inpatient or emergency department are provided patient-specific education resources.
Medication Reconciliation. 170.302(j)	The eligible hospital, CAH, or provider who receives a patient from another care setting or provider of care or believes an encounter is relevant should perform medication reconciliation.	The eligible hospital, CAH, or provider performs medication reconciliation for more than 50% of transitions of care in which a patient is admitted to the eligible hospital's or CAH's inpatient or emergency department or transitioned to a new provider.
Record Demographics. 170.304(c)	Record all of the following demographics: (A) Preferred language (B) Gender (C) Race (D) Ethnicity (E) Date of Birth	More than 50% of all unique patients seen by the EP have demographics recorded as structured data.

Help support Meaningful Use objectives with Krames Exit-Writer[®].

Krames Exit-Writer has received Meaningful Use certification as an EHR module. Designed to help busy Emergency Department and Urgent Care Center professionals quickly discharge patients, Krames Exit-Writer includes thousands of customizable discharge instructions in multiple languages — and the ability to deliver them electronically. The program also includes a helpful medication reconciliation tool and electronic prescription writing ability.

Krames Exit-Writer, an EHR module, has been certified by the Certification Commission for Health Information Technology (CCHIT[®]) and ONC-ATCB, in accordance with the applicable certification criteria for Eligible Hospitals and Eligible Providers adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services or guarantee the receipt of incentive payments.
